In this paper, citation of Bozkurt and Kocyigit (1996) at the caption of Fig. 4 (Page 4), and at the end of the paragraph (Page 5) under the tertiary sub-heading of “Mercimekdagi-Camdere fault set” had been overlooked during the manuscript printing process. Authors corrects the caption of Fig. 4 as:

Fig. 4 Tectonic situation of the study area and its environment (Bozkurt and Kocyigit 1996)

And, the paragraph under the tertiary sub-heading of “Mercimekdagi-Camdere fault set” (5th page) will be finished with the citation of Bozkurt and Kocyigit (1996).
